

## **PRESS RELEASE**

### **For Immediate Release:**

### **Netcom Technologies, Inc. Announces Mike Gammill Joins the Team.**

Netcom Technologies, Inc. (Netcom), a leading telecommunications infrastructure solutions provider announced today, May 7, 2012 that Mr. Mike Gammill has joined the Netcom Team. Mike is the Vice President at Netcom and will be charged with directing the operations of the Government Services Group. Mr. Gammill's duties will include heading up the GSA Connections II Proposal Team, he will be Netcom's FSO and will have other duties within the BD and Sales group.

Roy Rea, the President and CEO of Netcom, stated "I am very happy to finally have Mike on our team. Mike has worked for us in a consulting capacity for almost 10 years and is a seasoned and proven business professional. His capabilities will bring some needed skills to Netcom's Government Services Group".

#### **About Netcom:**

For the past 24 years, NETCOM Technologies, Inc., a privately held corporation, has consistently proven its ability to deliver "best value" inside and outside cable plant, IP video and security infrastructure, and telephony solutions to both public and private sectors. NETCOM has evolved from a regional cable plant installation provider into a nationwide provider of comprehensive and secure telecommunications infrastructure and security services.
