

PRESS RELEASE

For Immediate Release:

Netcom Technologies, Inc. Announces New Personnel on Staff

Netcom Technologies, Inc. (Netcom) welcomes today, May 1, 2014, a few new individuals to the company. Netcom has had many strong team member additions in recent months throughout Operations and Sales. The newest have been Paul Nizer, Director of Electrical Services and Chuck Lewis Service Manager. Paul and Chuck will be establishing an electrical division for Netcom. Chuck will also serve as the Service Manager for the new service department.

Chief Operating Officer Ryan Rea commented, “We are excited and pleased to have Paul and Chuck on board. Their experience and expertise in the electrical industry will establish an ever growing and thriving electrical division at Netcom.”

About Netcom:

For over 26 years, NETCOM Technologies, Inc., a privately held corporation, has consistently proven its ability to deliver “best value” inside and outside cable plant, IP security systems, and telephony solutions to both public and private sectors. NETCOM has evolved from a regional cable plant installation provider into a nationwide provider of comprehensive and secure telecommunications infrastructure and security services.
